The MDA Foundation awards dental scholarships; distributes dental health supplies and oral health brochures; hosts access to care projects like the Missouri Mission of Mercy; and has established a \$100,000 endowment. Thank you to these 2022 donors for making this possible! We hope you will consider a yearend gift to the Foundation or plan to contribute with your 2023 dues remittance. Your contributions help the Foundation's ability to fund projects. Learn more about Foundation programs and donate at modental.org/foundation.
