Dr. Mark Zust, St. Peters

The MDA Foundation awards dental grants and scholarships; distributes dental health supplies and brochures; hosts the Missouri Mission of Mercy for vulnerable and underserved populations; and, has established a \$100,000 endowment with a goal to add 10% of each year's income. Thank you for making this possible! We hope you may consider an end-of-year gift to the Foundation or will plan to contribute with your 2018 dues remittance. **Your contributions help the Foundation's ability to fund projects. Learn more about Foundation programs at www.modental.org/foundation. Make a donation using an easy, online form at www.modental.org/givemdad.**
