

Think of it as preventive care for your practice.

**MODentPAC**  
MISSOURI DENTAL POLITICAL ACTION COMMITTEE

**You can't afford to be a silent partner in decisions that affect your business, your practice, your profession.**

Legislative proposals directly impact dentistry in Missouri, and we need to have meaningful input. Political involvement is just good business.

Your MODentPAC ...

- ✓ Is **governed by a board of MDA member dentists** that represents each component.
- ✓ Supports **candidates committed to dentistry** regardless of party affiliation.
- ✓ Shows lawmakers the dental profession is **committed to issues affecting oral health**.
- ✓ Tells legislators that **dentists throughout Missouri have the same issues** and that the MDA has the backing of its members.
- ✓ Is an **opportunity for many dentists to pool their funds** and be in a position to contribute to legislators who are friendly to dentistry and our issues.
- ✓ Divides contributions equally between your component PAC and MODentPAC. Your **component has a voice in the expenditure of PAC funds** through its representative on your component PAC Board and the MODentPAC Board.

IT'S NOT JUST WHAT YOU KNOW, BUT WHO...  
**EVEN IN DENTISTRY.**

**Make your voice heard.**  
**You know best the issues that affect your practice.**
