

Under authority of rule 20CSR. 2110-2.240(2)B, the Missouri Dental Association may grant approval to non-approved continuing education providers for specific programs.

Scientific programs: Because current state rules require continuing education for relicensure be directly related to the practice of dentistry or dental hygiene, only speakers presenting programs directly related to the practice of dentistry or dental hygiene will be approved for MDA accreditation.

Educational programs and presenters: Only individual presentations by a specified lecturer(s) will be considered for MDA accreditation. No blanket accreditation will be given for a topic presented on multiple dates or a lecturer to speak on multiple dates.

Application process: This completed application must be completed and submitted to the Association along with the presenter’s current curriculum vitae and a detailed outline of the presentation and program agenda. Handouts for the program should also be sent if available. The MDA Committee on Education will consider the applications and grant approval with a majority vote of the committee members. MDA’s name and/or logo cannot be used on promotional materials unless approved by the MDA. **All requests must be submitted at least 30 days prior to the presentation.**

Application fee: Accreditation applicants must include a non-refundable \$150 fee with their application for EACH proposed presentation/speaker. If the same presentation will be given on multiple dates, an application fee must be included for each date. Please complete one application per presentation.

Appeal process: If the MDA Committee on Education does not approve the application within 30 days, the applicant may appeal to the Board.

Advertising: Course promotional materials must include wording indicating MDA accreditation that the CE Hours have been approved by the MDA as suitable for relicensure requirements.

Limits of approval: MDA accreditation of educational programs for the purpose of gaining continuing education recognition in no way implies any other endorsement of the accredited speaker, the organization or their activities.

Mail application, supportive materials and fee to: Missouri Dental Association, 3340 American Ave., Jefferson City, MO 65109 or fax with credit card information to 573-635-0764.
