The **Missouri Dental Association Foundation (MDAF)** is one of two non-profit subsidiaries of the **Missouri Dental Association (MDA)**. Founded in 1977, the MDAF is supported primarily from member donations. All donations are tax-deductible. *The Missouri Mission of Mercy is funded separately.* As the charitable arm of the MDA, the vision of the MDAF is Improving Missouri Smiles. The mission is to create better oral health for Missourians through educational programs, access-to-care initiatives and community collaborations. Visit our website for more information.

EDUCATIONAL PROGRAMS

Dental Scholarships

- Established in 1999
