All Bundle contracts run for 12 consecutive months from date of payment. The above introductory rates must be reserved by October 1, 2022. Once a contract and payment are received, the MDA staff will work with the company to select the preferred dates for all media/ad placement. All content placed on the MoDental On Demand Solutions Center profile is subject to review by the MDA, who reserves the right to remove any content deemed inappropriate for the platform/audience. The MDA does not provide video production services; all videos placed through bundles are to be supplied by the contracting company.
