

The New Dentist Committee of the Missouri Dental Association Presents:

Doing Digital Dentures Daily

with Dr. Chris Kollath and Dr. Joshua Prather

In this presentation we will cover the A-Z of a digital denture. Whether you want to design and fabricate in-house or work with your lab, this presentation is for you!

Highlights include:

- Case selection and workflow selection with Dr. Joshua Prather
- A live demonstration of a digital workflow for a complete upper denture with Dr. Chris Kollath
- Tips for every skill level
- Q and A with doctors using this technology in their offices every day
- 2 hours of C.E. credit
